

rIJS Protocol Submission for Test Credit

Log into the skaters MFSCCH entryeeze account. Under the Testing tab, you will see a test session for IJS Protocol Submission. You will register your skater for this test, submit the required documents, and pay the test credit fee here. USFS only accepts Protocol Submissions for Test Credit within **14 days** of the event. Your skater must be registered for test credit through MFSCCH and the paperwork uploaded/submitted prior to that deadline. Please remember that the test has chair to process the information in USFS and you **MUST** allow sufficient time for him/her to do that. **DO NOT** submit on the last day. If the information is not processed within the **14 day** window, your skater will have to retake the test credit. USFS has been very strict about this.

These are the required documents that need to be submitted/uploaded with the registration. If you have any questions, please email the test chair at test@memorialfsch.org

1. A copy of the overall event results, that lists all of the skaters, in addition to the names and signatures of the technical controller and event referee. This is to prove the skater actually skated in the event.
2. The skater's individual protocol / detailed judges' scores sheet
3. The skater's individual **Test Credit Skater Report**, generated by the accountant. See the picture below.

These are the events that are eligible for Test Credit. Do not submit a protocol if your skater is not testing one of these levels. Please speak with your coach before registering.

Events eligible:

Singles Free Skate*: Juvenile**, Intermediate, Novice, Junior, Senior, and Adult Silver through Adult Senior

Pairs Free Skate: Juvenile, Intermediate, Novice, Junior and Senior

Free Dance: Juvenile, Intermediate, Novice, Junior and Senior

Overall Event Results:

The image/scan of paperwork must include all the names of all skaters in the event AND the names of the Technical Controller and Event Referee. The below image is an image example (screenshot) of the Event Results information needed to process the test credit.

Skater's Individual Protocol / Detailed Judges Score Sheet:

Scan or upload (if physical print) the Individual Protocol or Detailed Report. If using the competition live results link, you must locate your skater's Judge Detail Scores by clicking the plus sign + at the end of his/her row. All elements must be visible in the image or scan. See the below screenshot as a guide to what the Individual Protocol will look like.

Test Credit Skater Report:

This is a paper that is generated by the accountant on-site at the host competition. You will need to pick up this paper at the competition in-person. Please scan or take a picture of this report and upload it to its corresponding option in Entryeze. Please see a sample of what this report should look like.
